gloves for oven
mitts

microwave

Corn Muffin

Put into mixing bowl:

4 level Tablespoons muffin mix

4 teaspoons water

Stir.

Put paper liner into muffin cup.

Pour batter into the paper liner.

Put into the microwave.

Cook for 35 seconds.

Use gloves to take the muffin out of the microwave. It will be hot.

Let cool for two minutes before taking paper off.

Eat!

Corn Muffin Mix Recipe

- 1 ½ cups corn muffin mix (1 Jiffy corn muffin mix)
- 2 Tablespoons dry egg powder
- 2 Tablespoons powdered milk

This will make approximately 8 3 oz. muffins.

For a large classroom:

- 6 cups corn muffin mix (4 Jiffy mixes)
- ½ cup dry egg powder
- ½ cup powdered milk

This will make approximately 32 3 oz. muffins.
