

# Pancakes

Here's what you need:

mixing bowl

spoon

pancake mix

water

Optional:

butter

syrup

cooking oil

Tablespoon

Half-Tablespoon

plates, forks, and knives

electric skillet,  
heated to 350°

spatula

# Pancakes

If you are the first person to cook, turn the electric skillet on to 350°.

Get out a mixing bowl.

Add:

3 Tablespoons pancake mix

5 Half-Tablespoons water

Stir.

Squeeze oil one time into skillet.

Pour batter into the skillet and cook.

Flip and cook the other side.

Eat!

If you are the last person to cook, turn the electric skillet off.
